American Psychiatric Foundation.*

Ethics Primer

of the

American Psychiatric Association

Published by the
American Psychiatric Association
Washington, D.C.

Note: The findings, opinions, and conclusions of this report do not necessarily represent the views of the officers, trustees, or all members of the American Psychiatric Association. Each report, however, does represent the thoughtful judgment and findings of the committee of experts who composed it. These reports are considered a substantive contribution to the ongoing analysis and evaluation of problems, programs, issues, and practices in a given area of concern.
