

Industry-Supported Symposia

These two- to three-hour Industry-Supported Symposia are part of the Annual Meeting Scientific Program and are accredited for Category 1 CME Credit. They will take place in the Washington Convention Center, The Renaissance Hotel, and the Grand Hyatt Hotel, from Saturday, May 3, through Thursday, May 8, 2008. All symposia start with a meal one-half hour prior to the start of the CME activity. There will be three to four symposia in each time block depending on grant support. For a complete schedule of the Industry-Supported Symposia check the Annual Meeting site on the APA web site at www.psych.org early in 2008. A final list of these symposia will be in the *Program Book*, as well as advertisements for the symposia, which will appear in the back of the book.
