**APA DSM-V Work Group Member**

**Name, Degree :** Matthew J. Friedman, M.D., Ph.D.

**Role(s) in Work Group:** Member, Anxiety, Obsessive-Compulsive Spectrum, Posttraumatic, and Dissociative Disorders Work Group

**Institutional Affiliation(s):** National Center for PTSD, US Department of Veterans Affairs; Departments of Psychiatry and Pharmacology & Toxicology, Dartmouth Medical School

**City, State:** VA Medical Center, White River Jct., VT; Hanover, NH

**Biographical Sketch:**

Dr. Friedman is Executive Director of the U. S. Department of Veterans Affairs National Center for Posttraumatic Stress Disorder (PTSD) and Professor of Psychiatry and of Pharmacology and Toxicology at Dartmouth Medical School. He has worked with PTSD patients as a clinician and researcher for thirty-five years and has published extensively on stress and PTSD, biological psychiatry, psychopharmacology, and clinical outcome studies on depression, anxiety, schizophrenia, and chemical dependency. He has over 200 publications, including nineteen books and monographs. Listed in The Best Doctors in America, he is a Distinguished Lifetime Fellow of the American Psychiatric Association, past-president of the International Society for Traumatic Stress Studies (ISTSS), past-chair of the scientific advisory board of the Anxiety Disorders Association of America and has served on many VA, DoD and NIMH research, education and policy committees. He has received many honors including the ISTSS Lifetime Achievement Award in 1999.

Dr. Friedman received his bachelor’s degree from Dartmouth College, his doctorate in Pharmacology from the Albert Einstein College of Medicine and his medical degree from the University of Kentucky. He had a rotating internship at the University of Kentucky Medical Center after which he completed a psychiatric residency at the Massachusetts General Hospital and the Dartmouth-Hitchcock Medical Center.
