Biographical Sketch:

Michelle G. Craske, Ph.D.

Member, Anxiety Disorders Work Group

Professor and Vice Chair, Department of Psychology

Professor, Department of Psychiatry and Biobehavioral Sciences

Director, UCLA Anxiety Disorders Behavioral Research Program

UCLA

Los Angeles, CA

Dr. Craske, Ph.D. is Professor of Psychology and of Psychiatry and Biobehavioral Sciences, and Director of the Anxiety Disorders Behavioral Research Program, University of California, Los Angeles. She has published widely on the topics of fear and anxiety disorders, their etiology, assessment and treatment, including several text books as well as clinical guides. Her research pertains to risk factors for phobias, anxiety disorders and depression in youths and adolescents; cognitive, behavioral and psychophysiological characteristics of anxiety, fear and the anxiety disorders; the translation of basic science of fear extinction to the treatment of human phobias; and the development and implementation of treatments for anxiety and related disorders. Dr. Craske was Associate Editor for the Journal of Abnormal Psychology, and is now Associate Editor for Behaviour Research and Therapy, and a Scientific Board Member for the Anxiety Disorders Association of America.

Dr. Craske received her bachelor's and 1st class honours degrees from the University of Tasmania, and her master's and doctoral degrees in clinical psychology from the University of British Columbia. She then completed her postdoctoral fellowship at SUNY, Albany, with Dr. David Barlow, before joining the faculty of UCLA in 1990.
