Biographical Sketch:

Regina Smith James, M.D.

**Director, Extramural Associates Program, Division of Special Populations
 Eunice Kennedy Shriver National Institute of Child Health & Human Development (NICHD)
 National Institutes of Health (NIH)
 Bethesda, MD**

Dr. James is the Director of the Extramural Associates Program, Division of Special Populations, Eunice Kennedy Shriver National Institute of Child Health & Human Development (NICHD), National Institutes of Health. In this capacity, she is responsible for informing the public on health disparity issues and developing initiatives that serve to encourage and increase participation of diverse populations and developing nations in biomedical and behavioral research endeavors.

Dr. James is a child and adolescent psychiatrist and graduate of the University of California, Los Angeles, School of Medicine. She received her clinical training in adult and child & adolescent psychiatry at the Cleveland Clinic Foundation in Ohio. Prior to her appointment at the NICHD, Dr. James served as the chief of the Pediatric Attention Disorders Program, Mood Disorders Program and Eating Disorders Program, at the National Institute of Mental Health (NIMH). She also served two years as a clinical associate in the Child Psychiatry Branch at NIMH, where she conducted clinical trials research. Dr. James has published in the areas of health disparities, Attention Deficit/Hyperactivity Disorder and Pediatric Bipolar Disorder. She is the recipient of The Rieger Award for Scientific Achievement, given by the American Academy of Child and Adolescent Psychiatry.
