APA DSM-V Work Group Member

Name, Degree: Harry H. Wright, M.D., M.B.A.
 Role(s) in Work Group: Member, Neurodevelopmental Disorders Work Group
 Institutional Affiliation(s): University of South Carolina
 City, State: Columbia, SC

Biographical Sketch:

Dr. Wright, a Child and Adolescent Psychiatrist, is a Professor in the Department of Neuropsychiatry and Behavioral Science at the School of Medicine, University of South Carolina in Columbia, South Carolina. He is also Director of the Infant and Early Childhood Mental Health Programs and the Developmental Disorders Clinic at the William S. Hall Psychiatric Institute. Dr. Wright received his B.S. in chemistry from the University of South Carolina. He did graduate work in biophysical chemistry at Brown University before entering medical school. Dr. Wright completed his M.D. from the School of Medicine and M.B.A. from the Wharton School at the University of Pennsylvania. He completed residencies in Administrative, General and Child and Adolescent Psychiatry in Philadelphia, Pennsylvania and Columbia, South Carolina.

Dr. Wright has served on a number of review committees over the last ten years. He is a team leader for the Child and Adolescent Certification Examination of the American Board of Psychiatry and Neurology. Dr. Wright's clinical practice is focused on young children and on children and adolescents with developmental problems. He has received the Teacher of the Year Award from the Child and Adolescent Psychiatry Residency Training Program and the Clinical Science Research and Research Advancement Awards from the School of Medicine.

Dr. Wright has more than 200 publications and has made more than 400 presentations at scientific meetings. His research interests include psychiatric genetics, psychiatric epidemiology, developmental disorders, multicultural issues, health services research, and infant and preschool mental health issues.
