APA DSM-V Work Group Member

Name, Degree: Joseph Piven, M.D.

Role(s) in Work Group: Member, Neurodevelopmental Disorders Work Group

Institutional Affiliation(s): University of North Carolina at Chapel Hill

City, State: Chapel Hill, NC

Insert Brief Biographical Sketch:

Joseph Piven, M.D. received his M.D. degree from the University of Maryland in 1981 and completed training in general and child and adolescent psychiatry at the Johns Hopkins Hospital in Baltimore. He continued in research training in the genetics of neurobehavioral disorders, during a post doctoral Merck Fellowship at Johns Hopkins. He joined the faculty of the Department of Psychiatry at the University of Iowa from 1990 through 1999. Dr. Piven is currently Sarah Graham Kenan Professor of Psychiatry, Pediatrics and Psychology at the University of North Carolina at Chapel Hill and Director of the Carolina Institute for Developmental Disabilities, home of the NICHD-funded Eunice Kennedy Shriver Intellectual and Developmental Disabilities Research Center, TEACCH Program, UCEDD and LEND Programs. Dr. Piven directs an NIH-funded Post Doctoral Research Training Program in Neurodevelopmental Disorders at UNC, and is Director of an Autism Center of Excellence Network study of brain development in infants at risk for autism. He is founding Editor of the Journal of Neurodevelopmental Disorders (start date March 2009m Springer Publishing). His research is focused on the pathogenesis of autism related disorders (such as Fragile X Syndrome) and includes studies on the molecular genetics of autism, the neuropsychological basis of autism and the broad autism phenotype, and magnetic resonance imaging of early brain development.
