

May 1, 2008

APA DSM-V Work Group Member

Name, Degree: Stephan Heckers, M.D.

Role(s) in Work Group: Member, Psychotic Disorders Work Group

Institutional Affiliation(s): Vanderbilt University School of Medicine, Department of Psychiatry
City, State: Nashville, TN

Biographical Sketch:

Dr. Heckers is Chairman of the Department of Psychiatry at Vanderbilt University and the James G. Blakemore Professor in Psychiatry and Professor of Radiology at Vanderbilt University School of Medicine. Dr. Heckers studies the neural basis of schizophrenia and bipolar disorder. He combines neuroimaging experiments of brain structure and function in patients with basic research studies of the cellular and molecular basis of psychosis. His particular interests are the mechanisms of cognitive deficits and psychotic symptoms in schizophrenia and bipolar disorder.

Dr. Heckers is the Associate Editor of the *Archives of General Psychiatry* and serves on the Scientific Council of NARSAD and the Scientific Advisory Board of the Schizophrenia Research Forum.

Dr. Heckers graduated from Medical School at the University of Cologne, Germany, and completed research fellowships in Wuerzburg, Germany, and Boston, MA. He completed his internship and adult psychiatry residency at the Massachusetts General Hospital in Boston, MA, and obtained a Master in Medical Sciences degree from Harvard Medical School.
