Biographical Sketch:

Heino F. L. Meyer-Bahlburg, Dr. rer. nat.
Member, DSM-V Sexual and Gender Identity Disorders Work Group
Professor of Clinical Psychology (in Psychiatry), College of Physicians & Surgeons of Columbia University
Research Scientist, NYS Psychiatric Institute
New York, NY

Dr. Meyer-Bahlburg is a Professor of Clinical Psychology in the Department of Psychiatry at the College of Physicians & Surgeons of Columbia University and a Research Scientist at NYS Psychiatric Institute. He is directing a Program of Developmental Psychoendocrinology and serves as an Associate Director of the HIV Center for Clinical and Behavioral Studies. His primary research interest is the developmental psychobiology of gender and sexuality and its implications for the clinical management of persons with disorders of (somatic) sex development and other gender variants and for the prevention of HIV/AIDS. Dr. Meyer-Bahlburg is a Fellow of the Society for the Scientific Study of Sexuality, a former President of the International Academy of Sex Research, and a member of various additional scientific societies, among them the American Psychological Association, the Society for Research in Child Development, and the Harry Benjamin International Gender Dysphoria Association. He is an editorial board member of the *Archives of Sexual Behavior* and the *International Journal of Transgenderism*, and an advisory board member of the *Annual Review of Sex Research*, among others. Dr. Meyer-Bahlburg received his Vordiplom and Diplom in Psychology from the University of Hamburg, Germany, and his Dr. rer. nat. from the University of Düsseldorf, Germany.
