

May 1, 2008

APA DSM-V Work Group Member

Name, Degree: Deborah Hasin, Ph.D.

Role(s) in Work Group: Member, Substance-Related Disorders Work Group

Institutional Affiliation(s): Columbia University And New York State Psychiatric Institute

City, State: New York, NY

Biographical Sketch:

Dr. Deborah Hasin has been conducting research on alcohol and drug use disorders since 1984 and received her Ph.D. in Epidemiology from Columbia University in 1986. She is currently author of over 170 publications, and recipient of a Senior Scientist award from the National Institute on Alcohol Abuse and Alcoholism. Dr. Hasin’s research activities include epidemiological studies of alcohol, drug and psychiatric disorders, studies of the interaction of genetic and environmental influences on heavy drinking and alcohol dependence, and the development of innovative behavioral interventions to reduce risky drinking and drug use in HIV primary care and other clinical settings.

Dr. Hasin is a member of the National Advisory Council to the National Institute on Alcohol Abuse and Alcoholism. She is Associate Editor of Drug and Alcohol Dependence and was formerly the Editor in Chief of the Journal of Substance Abuse. She has participated in a World Health Organization (WHO) multi-site study of the reliability and validity of substance use disorders, and the WHO/American Psychiatric Institute for Research and Education Expert Group on Prevention of Mental Disorders. She chaired the Measurement Workgroup for the NIDA Clinical Trials Network (CTN). Dr. Hasin is Professor of Clinical Public Health at Columbia University in the College of Physicians and Surgeons, Department of Psychiatry and in the Mailman School of Public Health, Department of Epidemiology. She is also a Research Scientist at New York State Psychiatric Institute, where she directs the Substance Dependence Research Group in the Department of Clinical Phenomenology.
