APA DSM-V Work Group Member

Name, Degree: Guilherme Luiz Guimaraes Borges, M.D.

Role(s) in Work Group: Member, Substance-Related Disorders Work Group

Institutional Affiliation(s): National Institute of Psychiatry and Metropolitan Autonomous University (Mexico)

City, State: Mexico City, Mexico

Biographical Sketch:

Doctor Guilherme Borges received his Dr.Sc. in Epidemiology in 1996 at the Instituto Nacional de Salud Publica (Mexico), with a doctoral affiliation at Johns Hopkins School of Public Health and postdoctoral affiliation at Harvard Medical School. He is currently a Professor at the Universidad Autonoma Metropolitana with a joint position at the Instituto Nacional de Psiquiatria Ramon de la Fuente, both in Mexico City. He has published over 150 journal articles and chapter books mainly in the area of substance abuse and psychiatric epidemiology. He has collected and analyzed data in the Emergency Department (ED) focusing on the epidemiological estimation of the association between alcohol, substance use and injuries, and the development of screening measures for the ED and minorities groups. Finally, he has a great interest in mental health and migration. He has received fellowships and grants from several sources in Mexico. In the US: National Institute of Drug Addiction (NIDA); National Institute of Alcohol Abuse and Alcoholism (NIAAA), National Institute of Mental Health (NIMH); United States Agency for Interamerican Development (USAID), and American Foundation for Suicide Prevention. International: Panamerican Health Organization (OPS-PAHO) and World Health Organization (WHO). Dr. Borges serves as part of the Expert Group Core Member in the Alcohol Use Expert Group, Global Burden of Diseases, Injuries, and Risk Factors Study (GBD Study) and is also with the Reference Group on Alcohol Epidemiology, World Health Organization.

Dr. Borges is currently on a sabbatical period at Harvard Injury Control Res. Ctr. as a Visiting Scientist for the period from Aug 01, 2007- July 30, 2008, doing research on suicide, substance abuse and immigration.
