APA DSM-V Work Group Member

Name, Degree: Thomas J. Crowley, M.D.

Role(s) in Work Group: Member, Substance-Related Disorders Work Group

Institutional Affiliation(s): University of Colorado Denver, School of Medicine

City, State: Denver, CO

Biographical Sketch:

Thomas J. Crowley, M.D., is a Professor of Psychiatry and the Director of the Division of Substance Dependence at the University of Colorado Denver School of Medicine. His main clinical and research interest is the etiology of early-onset “antisocial drug dependence,” the combination of adolescent conduct disorder and substance dependence. With numerous colleagues he uses genetic methods and brain imaging to seek the causes of those disorders. Dr. Crowley is a current member of the National Advisory Council, and a former Chair of the Board of Scientific Counselors, of the National Institute on Drug Abuse (NIDA). He was the recipient of a NIDA MERIT Award, as well as numerous NIDA research grants. He is a former member of National Advisory Council of the National Institute on Alcohol Abuse and Alcoholism. He is past president of the College on Problems of Drug Dependence and of the Association for Medical Education and Research on Substance Abuse. He was a member of the Psychoactive Substance Use Disorders Work Group for Preparation of DSM-IV, American Psychiatric Association, 1989-1994, and a member of the Ad Hoc Advisory Committee for Revision of Substance Use Disorders Category in DSM-III, American Psychiatric Association, 1984. Dr. Crowley received Bachelor’s degrees, his M.D, and his psychiatric residency training at the University of Minnesota Twin Cities. He interned at Charity Hospital, New Orleans. He holds Board Certification in Psychiatry. Following two years as Captain, US Air Force Medical Corps, he has been since 1968 a faculty member of the Department of Psychiatry, University of Colorado Denver School of Medicine.
