Member Profile Update

As a member of the American Psychiatric Association (APA), your professional information is secured on the Member Profile Update page. You can update your contact, biographical and practice data information any time by accessing your membership record in Member's Corner at www.psych.org. Periodically checking and updating your membership record will make it easier for other members to get in touch with you (and you with them) – now patient referrals can be dependably made using the most current and up-to-date information possible!

Another great benefit from the APA...

The American Psychiatric Association/District Branch/State Association membership year runs from January 1 through December 31. Members enrolled in April or after are invoiced a prorated amount for APA/District Branch membership dues. Membership is continuous on an annual basis, unless written notification is received from the member or the membership is terminated for nonpayment of membership dues or failure to meet the APA – District Branch/State Association joint membership requirement. Because APA is a 501(c)(6) organization, the national dues are not deductible as a charitable contribution for federal income tax purposes. However, they may be deductible as ordinary and necessary business expenses. The basic subscription for each periodical listed below is included in the dues in the amount shown and is not deductible therefrom. Individual subscriptions may be purchased at these prices: ***The American Journal of Psychiatry* (12x/yr.) \$230 and *Psychiatric News* (24x/yr.) \$105. (Subscription rates are subject to change.) District Branch/State Association dues are fixed by each individual branch.**

Enrollment is effective the first month following approval of your application by the APA Membership Department and your District Branch/State Association. Membership in APA and the District Branch/State Association is simultaneous; you must be a member of both to be a member of either.

To ensure prompt processing of your membership application, be sure to:

- Sign and date the membership application.
- Do NOT send payment for membership dues with this application. You will be billed following enrollment.
