

Have your Residency Training Program join the ranks of
an exclusive organization within APA...

The 100% Club

The 100% Club was established to encourage residents throughout the United States and Canada to join APA and to do so with other trainees in their programs.

Members Receive Recognition!

- Your program featured in *Psychiatric News* with a residency group photo.
- Recognition plaque for your residency program.
- The residency program receives a major textbook from American Psychiatric Publishing, Inc. (APPI).
- Access to online subscription to the clinical review and self-assessment journal FOCUS and the annual FOCUS Self-Assessment examination.

And More!

Here are just a few of the APA member benefits targeted for residents during their training years:

- Free subscriptions to *The American Journal of Psychiatry* and *Psychiatric News*.

- Special 25% discount on all American Psychiatric Publishing, Inc. (APPI) books and journal subscriptions.
- Discounted registration to the APA Annual Meeting and the Institute on Psychiatric Services—70% less than regular member registration.
- Access to hundreds of job opportunities nationwide through the APA Job Bank, plus career resources and job search tools.
- Eligibility for APA awards, fellowships, travel scholarships, and research opportunities.
- Free *Residents' Journal*, an e-publication from *The American Journal of Psychiatry* created specifically for residents with featured articles relevant to training, clinical practice, research and career development.

Join the nearly 30 psychiatry training programs with 100% membership in the APA!
