

2010-2011 APA/Shire Child & Adolescent Psychiatry Fellowship Program

Call for Applications

The APA/Shire Child & Adolescent Fellowship is open to PGY-1 through PGY-3 residents in any ACGME-approved training program. Applicants must have the approval or support of their training director or department chairperson. *The resident must be a member of APA when she/he makes the application.*

Applications must be submitted by **November 20, 2009**. These fellowships are supported by an unrestricted educational grant from Shire Pharmaceuticals. The APA/Shire Child & Adolescent Psychiatry Fellowship program was established in 2002 to interest general psychiatry residents in considering careers in child and adolescent psychiatry by providing specific educational opportunities unavailable to them otherwise.

Five residents will be selected for the 2010-11 program. They will attend and participate in two APA Annual Meetings: May 2010 in New Orleans, LA, and May 2011 in Honolulu, HI.

At these meetings, fellows will have opportunities to:

- meet and network with leaders in child and adolescent psychiatry
- meet and work with an eminent child and adolescent psychiatrist who will serve as a mentor to offer advice and assistance with preparing a program proposal for 2011
- acquaint her/himself with the field of child and adolescent psychiatry through attending a group of programs at these annual meetings
- be mentored in 2010 and provide mentoring to other awardees in 2011
- submit and present (if accepted) a workshop at the 2011 annual meeting

For 2010, each fellow will

- Attend the Annual Meeting as a participant
- Attend sessions focused on child and adolescent psychiatry
- Meet individually with her/his mentor
- Meet with the other mentors and other awardees in a group session where the mentors will recommend sessions which would be of particular interest to the fellows

For 2011, the second year, the fellow will

- Attend the Annual Meeting as a participant
- Meet as a group with the other APA/Shire fellows
- Attend sessions focused on child and adolescent psychiatry

- Present a workshop on a topic in child and adolescent psychiatry (with help from their mentor). The presentation will be subject to the approval of the APA Scientific Program Committee.

These awards will support travel and related costs for five residents to attend both the 2010 and the 2011 APA Annual Meetings.

APPLY now – Deadline, November 20, 2009

Requirements:

- PGY1 to PGY 3 resident in an ACGME-accredited residency training program in general psychiatry
- Member of the APA
- Completed application form (see next page)
- 500-word letter of interest detailing experience, knowledge, and career path
- Letter of support from a residency training director or department chairperson including the resident's potential contribution to the field of child & adolescent psychiatry. (Only two applications will be accepted from a training program.)
- Curriculum vitae

Application material may be submitted by

- e-mail to kids@psych.org or
- fax to 703-907-7852 or
- mail to APA/Shire Child-Adolescent Psychiatry Fellowship Award
APA Office of Minority and National Affairs
1000 Wilson Blvd, Suite 1825
Arlington, VA 22209

For more information, contact Alison Bondurant abondurant@psych.org or 703-907-8639.

All completed applications must be received no later than November 20, 2009 to be considered. The five residents selected will be notified in early February 2010. Incomplete applications will not be considered.

The selection committee is Cathryn Galanter, M.D., Chairperson; David Fassler, M.D.; Andrew Russell, M.D.; and Amy Ursano, M.D.

Fellowship program funded through an unrestricted educational grant from Shire Pharmaceuticals.
